

Klerk's Klips

- The passing of Louis C. Deere left us a little shocked and very sad. He will be missed by so many as his life touched many. Jon Turn was appointed mayor of Kennedy at the July council meeting. Jon's seat will be filled by appointment next month.
- The August Monthly Council Meeting will be held on Tuesday, August 11 at 8 PM in the City Office. The Annual Budget Meeting will be held on August 18 at 7 PM.
- The flower gardens are a community garden. Mary Cooney needs help with the weeding. Please, if you have some extra time, pull weeds.
- The school library will be open all day Sat., July 18 for people to view the memorabilia on the Life of Louie. It is quite a collection so if you have some spare time, view the display provided by the Deere family.
- The results of the survey will leave the south railroad crossing as it is. The vote was overwhelming toward not closing the crossing.

CELEBRATE This Weekend

The city should be hopping this weekend. There are many fun, new events planned for the weekend. A poster is included in with your bill.

Some items to explain: The dedication of lights that will take place Friday evening is a thank you to all who donated to the Buy a Bulb Fund. The lights are all up and ready to go!

The Rib Fest is a new event. The proceeds from this event will go to various community projects. The city council and staff will be serving ribs grilled by Andy and smothered with Papa Lou's Barbeque Sauce, crunchy coleslaw and fresh dinner rolls. The thought of this dinner makes one's mouth water!

Let's hope for fabulous weather for a really nice weekend...

MEMORIAL

The city of Kennedy is planning on naming the baseball field the Louis C. Deere Memorial Field, erecting signage stating so and installing a new scoreboard all in memory of Louie. If you would like to place a memorial toward this, the city is organizing this with the blessing of the Deere family.

New Site Is Ready

The new burn pile site is ready to be used. It is located southwest of the ball diamond. Please start the pile in the middle of the site and drive around to make drop off easier. The road will soon be graveled so if there is a rain the area will be barricaded. This is temporary until the gravel is packed. Call the city office or shop if you have any questions.

TACO AND MARGARITA FUNDRAISER
